2013 Focus St Manual - nsaidalliance.com

For my 2013 SE 5 sped the owners manual calls out Ford p/n BOT350-M3 for the manual tranny, the dealer said to use XT-11-QDC which is the fluid for the Automatic tranny. I want to put the correct fluid/oil in my tranny or something better. Does anyone have a suggestion and why is the owners manual telling me something different than the dealer?
