A Beginner's Guide to DC Comics. DC Comics is one of the largest and oldest comic book companies in the country. In its storied 85 years of existence, it has published some of the most well-known and beloved superheroes ever, starting of course with the holy trinity: Superman, Batman, and Wonder Woman. To give you an idea of how long Superman and Batman have been around: Batman was introduced in 1937, while Superman debuted in 1938, meaning they predate the Second World War, Television, ...
