My Dell 305w did not print on window10. The printer "communication not available" post has been posted several times before. Nothing in any of these posts has helped me resolve the problem with my wife's Dell V305 printer generating the "communication not available" message.

My Dell 305w did not print on window10. - Microsoft Community

The Dell printer is the most reliable printer I have ever had. It is over ten years old and prior to installing the obviously defective cartridge, this printer was bullet proof! The moral of this experience, I WILL NEVER purchase another ink cartridge from any online source again. I will go to my local office supply store and gladly pay retail!
