Houston, We Have a Problem! (2016) - Rotten Tomatoes

What's the origin of the phrase 'Houston, we have a problem'? 'Houston, we have a problem' is right up there with 'Beam me up Scotty' at the top of the spaceflight-related quotations tree. In fact, both are slight misquotations. John Swigert, Jr. and James Lovell who, with Fred Haise Jr., made up the crew of the US's Apollo 13 moon flight, reported a problem back to their base in Houston on 14th April, 1970.

Houston, we (may) have a problem ... Updated: May 22 I hear from many of my Houston area friends how excited they are that lockdowns have been lifted, and they can return to some sense of normalcy -- people can get their hair done, visit their favorite restaurants (and Houston has some great ones we really miss!), and most importantly many people who have been out of work can go back to work.
