Purchasing Principles & Management 9th ed. By Peter Baily, et al. Financial Times / Pearson Education ISBN: 0273646893 472 Pages, Illustrated \$89.50 paper original

Purchasing Principles & Management, 9th ed.

The cost of purchasing, and doing business, is on a steady rise. Businesses have started to regard procurement management as their top priority since it takes up a large share their overall spend. Considering most organizations still hold on to their manual procurement practices, a complete revamp of their procurement functions is crucial to keep pace with business demands.
