The Green Mountain Boys were originally created to prevent New York authorities from controlling their land. They employed somewhat harsh (but nonlethal) tactics against New York surveyors and others wishing to take control of their land, at one point even tying a New York sympathizer to a chair, which they then tied to a tavern sign

The Green Mountain Boys were a militia organized in what is now southwestern Vermont in the decade prior to the Revolutionary War.

They were settlers and land speculators who held New Hampshire titles to land between the Connecticut River and Lake Champlain, an area known as the New Hampshire Grants.
